

# AURORA

V I N D E M O N T A G N E

## CUVÉE N 2020

**Grape Variety:**  
100% Sauvignon Blanc

**Tasting Notes:**  
Aurora Cuvée N is a wine dedicated to the winemaker's wife Nathalie, who has a vivid passion for Sauvignon Blancs. The color is green with purple reflections, It is mildly mineral and fruity with discrete notes of grapefruit, and citrus. The attack is crisp with undertones of yellow fruits, followed by a fresh mouth feel and tingling soft mineral finish.

**Sourcing and Vineyards:**  
These grapes have been sourced Aoura, at 900m altitude. They are picked in the beginning of September. Grape clusters are tightly controlled from optimal flavor concentration and complexity.

**Winemaking:**  
Our goal is to pick at maturity level that would provide optimal sugar levels and preserve the natural acidity and fresh aromas of this grape. Upon arriving to the winery, the grapes are immediately pressed and the juice is fermented at low temperatures in stainless steel tanks until initial fermentation is complete. The wine is then filtered and bottled four months after harvest.

**Technical Data:**  
PH: 3.18  
Total Alcoholic Strength: 13.5 %  
Total Acidity: 3.8 g(H<sub>2</sub>SO<sub>4</sub>)  
Total Sulfur dioxide: 73 mg/l
